Sisters who work with Migrants

The migrants' office of UISG proposes a **meeting online for the sisters who work with migrants.**

This meeting is aimed to share our experience with them, to share the difficulties we face in our mission and also to learn from one another by exchanging our best practices.

It will also be an opportunity to create a network among us as we are in the same mission.

We will invite those who want, to take the floor .

Learning from one another we will be able to move forward in our mission to the migrants that we encounter on a daily basis.

This meeting will take place in English on **May 24th at 4pm (Rome time) or on June 12 at 10.00am (Rome time).** You can choose the day according to your time zone. The same meeting will be also in [Spanish, May 31st](#), and in [French June 5th](#).
