Some facts about abuse...

Abuse can happen to anyone regardless of gender, age, ability, race or culture.

The vulnerable are most likely to be abused by someone they know & trust (e.g. a parent, carer, professional or volunteer)

Some facts about abuse...

People very rarely exaggerate abuse – we should always act upon our concerns or a disclosure.

We all have a duty to safeguard the vulnerable & should never promise to keep a 'secret' as we have a duty to share information to keep the vulnerable safe

What shall we do?

1. Attention for victims: for the good of them, of Church, and of society; care for spiritually traumatized
2. Protection of minors in ecclesial context
 - “When is this going to be over so we can get back to our real ministries?” →
“*This* is our real ministry. This is what God is calling us to today.”
3. Formation: presence of victims, presence of offenders?

Why should we act?

- Mk 1,14: „Repent, and believe in the gospel.“
- Mk 9,42: “If anyone causes one of these little ones – those who believe in me – to stumble, it would be better for them if a large millstone were hung around their neck and they were thrown into the sea.”
- Mk 10,14: Jesus said to them, “Let the children come to me; do not hinder them, for to such belongs the kingdom of God.”
- Jn 8,32: “The truth will set you free.”
